Re: North Carolina Veterinary Medical Board
Discovery/Kevin A. Monce, D.V.M.
File No. 01023-2-1

Dear Michael:

I am optimistic that the case can be settled, but feel compelled to submit this discovery. You and I in our joint motion asked for discovery to be extended until April 28 and it was not until this morning that I realized that Judge Morrison only extended it until March 28. I do not know whether this is an error because it already was March 28, or whether he intended to do that. In any event, I must submit these in the event that the case goes forward.

I look forward to talking to you on Monday.

Sincerely,

George G. Hearn
